re: Eddie Jacobs (c).

Dear Mr. Manley:

On April 21, 1944, you accepted an order by Eddie Jacobs authorizing you to deduct \$18.00 per week for the support of his children. Since that time we have only received \$78.00. The last we received was on June 16 which was \$36.00. There is a sum of \$138.00 due to July 14, 1944.

We are at a loss to know why we have not been receiving these payments as per order which you accepted on April 21.

Please let me hear from you in regard to this matter at once. I am

Very respectfully yours,

Luther C. Tanner
